INNOVATIVE METHODS AND PRACTICES TO FACILITATE SOCIAL INCLUSION

First meeting

- The purpose is to get acquainted with each other as individuals, to clear up if "we are well matched"
- Place: manager's/organiser's office, cafe, restaurant, mentee's home, mentor's home or office, etc..
- The mentee presents her-/himself, tells about the background, family, hobbies, values, education, profession, etc.

First meeting

- The mentor listens and makes questions – and presents herself
- Conclusion: mentoring contract, meeting schedule

INNOVATIVE METHODS AND PRACTICES TO FACILITATE SOCIAL INCLUSION

Final meeting

- During the final meeting the mentor with the mentees should evaluate their achievements during the whole mentoring process, have they reached their goals and what has changed in their lives into the bright side.
- After the group meetings end the coordinator/manager should organise the final event where the results of social group mentoring process are summarized.

INNOVATIVE METHODS AND PRACTICES TO FACILITATE SOCIAL INCLUSION

Final meeting

- During this event different groups should prepare to present their progress achieved during the social group mentoring process:
 - ✓ What they have started from;
 - ✓ Their goals;
 - ✓ How they have worked together and with the help of the mentor were seeking for their goals;

Final meeting

- ✓ Where they have succeeded in;
- ✓ What problems did they have;
- ✓ What they would like to change in the process;
- ✓ What they have learned during the process;
- ✓ Where are they now.

INNOVATIVE METHODS AND PRACTICES TO FACILITATE SOCIAL INCLUSION

Final meeting

- The monitoring questionnaires are filled in.
- The mentees should be promoted to become mentors in other projects.
- It is recommended to create the bank of mentors which could be useful in the future projects.
