

Plan for the Mid-term Monitoring

Progress to date for piloting on Group Social Mentoring within (insert your organisation)

The plan is filled-up by (insert name, surname of the manager/coordinator)

Note. Please make sure to include the fulfilled tasks regarding the mid-term piloting of group social mentoring within your organization, such as, selection procedure, documents, initial meeting, etc.

Mentors

Who are the mentors:

- gender, age, education, profession, experience on social inclusion/exclusion;
- experience in mentoring:
 - if yes, then what type of mentoring; does she/he used to be a mentee or a mentor; how long; how many times, etc.

Mentees

- Target group of mentees;
- Their common experience on social exclusion – just in few words and figures;
- Mentees' expectations from the mentoring process.

Aims and objectives of the group

Please present the indicated AIMS and objectives of the group that you are piloting:

.....

MEETINGS of group social mentoring in the organization

Please make sure to answer these questions:

1. How many up to now?

.....

2. How's the process going on?

.....

3. Any challenges, obstacles?

.....

.....

-
4. What kind of documents are being used for/during piloting:
- ☐ Questionnaire for self-checking on ability of a person to be a Mentor;
 - ☐ Questionnaire for mentee;
 - ☐ Contract;
 - ☐ List of Mentors and Mentees;
 - ☐ Table of Aims and Objectives (both: personal and group);
 - ☐ Diary;
 - ☐ Other (please describe what other documents, than were suggested by this project you use and bring some examples to the meeting)...
-
-
-

Outstanding actions in piloting of group social mentoring till the end of project

Please indicate the outstanding actions for your organisation, including such activities as:

- 1. How many meetings (in both groups) you plan to have till the end of project;*
- 2. Do you plan any common social activities of mentors and mentees between meetings?*
- 3. How do you plan to organise the final meeting (any original ideas to finish the process)?*

Success stories

If you had experienced mentees' success stories, which happened during the piloting or were influenced by piloting on group social mentoring (i.e., employment, join social activity club, start studies, courses, etc.), please indicate the target group of mentee(s), in few words describe the positive results, dates, etc.

.....

.....

.....

Comments...

- Where there any failures/non-success stories concerning piloting?*
- If yes, what was the reason, in your opinion?*

If you have some more comments regarding piloting on group social mentoring, please write it here:
